MADEIRA HAND EMBROIDERIES Magnificently scalloped and embroidered in NOVELTIES designs that are mostly exclusive with us FOR XMAS

In none of our merchandise more than in these exquisite hand embroideries from Madeira is exemplified that happy combina-tion of quality and economy for which Macy's has been famous

these fifty-four years.
Underwear, Handkerchiefs, Neckwear,
Waist Patterns, Embroideries, as well as Table Linens, Doilies, etc., All are Included in Our Madeira Importations in the Choicest Patterns Only.

The advantages of having our own organization in Funchal are two: (1) it enables us to economize price to a considerable extent; (2) it safeguards us against the less effective designs that have to find an outlet in other A directions.

Inasmuch as we are the only retail store in America having its own organization in the Madeira Islands, other stores not only have to PAY the prices such as we CHARGE, but they show designs more or less ordinary.

All this Madeira Underwear is hand made throughout. Its popularity will never fade with women who appreciate fine Underwear.
